### About Me

Aerospace Engineering student at Politecnico di Milano with a focus on space systems and propulsion. Experienced in CAD modelling and programming; actively engaged with the Space Economy ecosystem through industry events and competitions. Seeking opportunities to apply technical skills in an aerospace or space context.

### Education

- 2023-Present **Aerospace Engineering**, *Politecnico di Milano*
- Gaining a solid foundation in engineering principles, with a focus on the fundamentals of flight, space exploration, and technology.
- 2010-2023 **Scientific High School Diploma**, *Istituto Zaccaria*, (Milan, Italy)

### Work Experience

- Sep 2021 - **Student Member**, *BCG - Boston Consulting Group*, Milan, Italy
- Jun 2022 ○ Conducted market research on companies including Airbus, analyzing competitive dynamics and expansion opportunities in sustainability; delivered findings to a panel of BCG professionals in an inter-school competition.
- Jun 2022 - **Student Member**, *SGB Humangest Holding*, Milan, Italy
- Jul 2022 ○ Focused on personnel research and development, aiming to identify and enhance skills, foster professional growth, and optimize team potential.

### Courses

- 2025 **Diamo Spazio allo Spazio**, *Rotary International*
- Attended a two-day seminar focused on the Space Economy, covering topics such as mission architecture, remote sensing, and the economic value of Big Data. The event featured lectures and workshops led by professors from the University of Milano-Bicocca and professionals from leading aerospace companies including Apogeo Space, MEEO, Neptune, MAPSAT, GeneGIS GI, and Thales Alenia Space.
- 2025 **Italia chiama Europa – Innovazione, Sostenibilità e Finanza per lo sviluppo della new Space Economy**, *Deloitte*
- Attended a conference focused on European funding strategies supporting innovation, sustainability, and the growth of the New Space Economy. The event featured experts from Fondazione E. Amaldi, LINKS Foundation, Corallia, Cleantech Bulgaria, and AB Corporation, emphasizing networking and international collaboration for innovative project development.

## Technical Skills

Programming C, Java, MATLAB  
CAD SolidWorks, Inventor, Solid Edge  
Other L<sup>A</sup>T<sub>E</sub>X

## Languages

Italian **Native**  
English **C1**  
French **B1**

## Extra-Curricular Activities

2026 - **Member**, *Rotaract Club Milano San Babila*  
Present  Participate in organizing community service projects and fundraising events, developing teamwork and project management skills.

## Interests/Hobbies

- Golfing
- Skiing / Snowboarding
- Guitar
